

Frozen Product Request Form

Dear Store Manager:

I am a regular customer in your store and I would like you to consider carrying Path of Life products. Path of Life is a new line of organic and all natural frozen foods. I have checked off the products from Path of Life that I would like to purchase at your store and their contact information is printed below. By stocking these products in your freezer case, I can guarantee that you will have incremental store sales.

Thank you for your consideration!
